

Solutions for Article Processing Charges (APCs)

Experience

- The first pilot for handling APCs started 5 years ago
- Thanks to our many years of experience in the library market, HARRASSOWITZ is familiar with industry requirements

Accelerated payment process

- Prompt payments to publishers
- Payment made in desired currency and in the publisher's preferred manner such as ACH, wire transfer, check, etc.

Flexible Invoicing

- Invoicing according to library specifications
- Criteria such as the billing cycle, billing details, or a split of the amounts to different cost centers can be individually determined by the library

Management Reports

- Complete bibliographic information for your APCs handled by HARRASSOWITZ.
- Transparent price breakdown
- Customized analysis options

Fokus

- Search for APCs handled by HARRASSOWITZ
- View & download invoices
- View all correspondence
